# Residential Services Guide

*Important information inside regarding your recycling, organics and garbage service.*

## Extra Services Provided Free of Charge

### Household Batteries

To recycle small batteries, place the batteries in a clear sealed bag and place the bag on top (not inside) of your recycling cart.

### Holiday Tree Collection

GreenTeam will collect up to two undecorated holiday trees per residence, for three weeks following December 25th. Please remove stands, tinsel and decorations and cut tree into 4-foot lengths or less. Place tree 1 foot away from carts.

### Annual Clean Up

Twice per year residents will be invited to a centrally located drop off location where you can dispose of large items and household debris.

### Motor Oil and Filter Collection

To recycle used motor oil and motor oil filters curbside, you must use a FREE GreenTeam issued oil jug and filter bag, as they are designed to prevent leaks. Place filled jugs and filter bags on the curb near your recycling container for collection. Oil mixed with other automotive fluid will not be collected.
