Extra Services Provided *Free of Charge*

Household Batteries

To recycle small batteries, place the batteries in a clear sealed bag and place the bag on top (not inside) of your recycling cart.

Holiday Tree Collection

GreenTeam will collect up to two undecorated holiday trees per residence, for three weeks following December 25th. Please remove stands, tinsel and decorations and cut tree into 4 feet lengths or less. Place tree 1 foot away from carts.

Annual Clean Up

Twice per year residents will be invited to a centrally located drop off location where you can dispose of large items and household debris.

Call Customer Service at 408.283.8500 to schedule an appointment or visit www.greenteam.com for more information.

Motor Oil and Filter Collection

To recycle used motor oil and motor oil filters curbside, you must use a FREE GreenTeam issued oil jug and filter bag, as they are designed to prevent leaks. Place filled jugs and filter bags on the curb near your recycling container for collection. Oil mixed with other automotive fluid will not be collected.

Curbside Clean Up

Twice per year residents may schedule an on-call curbside clean up for household debris.
